

**Title:** Kyoto University Global COE Workshop on Country Report 2010: Current Status of Renewable Energy Research, Development and Policy in Asian countries

**Time and Date:** 9:30 - 12:00 on 1 July 2010

**Place:** Room 419 on 4F, Pacifico Yokohama

**Chair by** Dr. Hideaki Ohgaki, Professor, Kyoto University

**Organized by** Kyoto University Global COE Program on Energy Science in the Age of Global Warming, RE2010 Organizing Committee

**In cooperation with** Sustainable Energy and Environment Forum (SEE Forum)

●**Outline :**

Current status of renewable energy research, development and national policy in 10 Asian countries such as Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Philippines, Singapore, Thailand, Vietnam, and India are reported by the specialist of energy study from each country.

**Kyoto University Global COE Workshop on Country Report 2010 (Tentative):**  
*Current Status of Renewable Energy Research, Development and Policy in Asian countries*

9:30-9:35	Opening Address by Kyoto University Global COE Program
9:35-9:45	Brunei Darussalam Country Report <i>Title: Sustainable energy in Brunei Darussalam</i> Professor Tan Kha Sheng, University of Brunei Darussalam
9:45-9:55	Cambodia Country Report <i>Title: Policy and Status of Renewable Energy in Cambodia</i> Mr. Tharith Sriv, Royal University of Phnom Phen
9:55-10:05	Indonesia Country Report <i>Title: The Prospect and Challenge of RE Development in Indonesia</i> Professor Tumiran, Gadjah Mada University/ Member of the National Energy Council
10:05-10:15	Lao PDR Country Report <i>Title: Energy policy and status of renewable energy in Lao PDR</i> Dr. Phouang Phouthavong, National University of Laos
10:15-10:25	Malaysia Country Report <i>Title: Energy Policy and Status of Renewable Energy in Malaysia</i> Professor Nasrudin Abd Rahim, University of Malaya Director of Centre for Power Electronics, Drives, Automation and Control
10:25-10:35	Q & A 1
10:35-10:50	Break
10:50-11:00	Philippines Country Report <i>Title: Philippine Energy Policy and Renewable Energy Development</i> Assist. Professor Rizalinda L. De Leon, The National University of Philippine
11:00-11:10	Singapore Country Report <i>Title Post-Copenhagen shift in Singapore energy policies</i> Professor Low Seow Chay
11:10-11:20	Thailand Country Report <i>Title: Energy efficiency policies and programs in Thailand</i> Assoc. Prof. Bundit Fungtammasan, Director of The Joint Graduate School of Energy and Environment (JGSEE), KMUTT
11:20-11:30	Vietnam Country Report <i>Title: (to be confirmed)</i> Professor Le Chi Hiep, Vietnam National University Ho Chi Minh
11:30-11:40	India Country Report <i>Title: Policy, potential and status of renewable energy in India to meet climate change agenda</i> Assoc. Prof. V. K. Vijay, Indian Institute of Technology, Delhi
11:40-11:50	Q & A 2
11:50-11:55	Closing Remark by Kyoto University Global COE Program
